

RiteStart™ Men

ALL-IN-ONE NUTRITION FOR MEN

RiteStart—Exclusive Anti-Aging Pack for Men

RiteStart Men from 4Life is a combination of nutrients like no other. Named for the exact purpose it provides . . . a *RiteStart* for your day, for your health and for your life . . . this product is designed to help you look and feel great, and have the energy and immune support you need to achieve your life-goals. It represents the best in anti-aging and immune products available today and makes designing a comprehensive wellness program—simple.

Like the foundation of a house, this all-in-one men's pack provides the base from which to build a life of better health. Specifically designed with men's health in mind, RiteStart Men is far more than a daily multivitamin and mineral supplement. It features a proprietary Men's Health Blend that has been exclusively developed to meet the needs of the male body. This proprietary blend, with Transfer Factor Plus™, essential fatty acids, full-spectrum antioxidant power **AND** anti-aging nutrients, makes RiteStart the best and most unique wellness product available today.

Key Points

- **Specific Nutrition for Men:** Men and women's bodies are different, and thus have different needs. RiteStart Men features nutrients that promote a healthy prostate along with a perfect balance of vitamins, minerals and antioxidants specific for optimum male health.
- **Transfer Factor Plus:** This proprietary blend of immune activating ingredients features Transfer Factor XF™ and other proven immune system nutrients such as IP-6, beta-glucans, maitake and shiitake mushrooms. An independent study on Transfer Factor Plus showed that it produced a 248% increase in Natural Killer Cell activity.
- **Essential Fatty Acids:** Essential Fatty Acids (EFAs) are vital to your body and must be supplied through food or supplementation. EFAs are required to rebuild and produce new cells and support healthy blood pressure levels. They also promote healthy joints and flexibility, and support mental development and acuity.*
- **Antioxidant Protection:** Each packet provides a great source of free-radical fighting nutrients. RiteStart features multiple antioxidants including vitamins A, C and E, OPC (pycnogenol) sources such as pinebark and grapeseed extracts and other sources such as bilberry, lutein, CoQ10, alpha-lipoic acid and zinc. A well-rounded product like RiteStart provides optimum antioxidant power against free-radical scavengers.
- **Life C™:** Exclusive to 4Life, this superior multi-form of vitamin C provides maximum benefits. Are all vitamin C's equal? No way! Life C contains seven forms of vitamin C that are absorbed into your cells at a higher rate, providing increased protection and support.*
- **Hyaluronic Acid:** Found abundantly in cartilage and synovial fluid when we are young, Hyaluronic Acid's main function in the body is to cushion and lubricate the joints. Over time, our bodies produce less and less Hyaluronic Acid. A lack of Hyaluronic Acid has been directly linked to connective tissue and joint degeneration.

Did you know?

Survey's conducted by the National Institute of Health show that 75% of Americans do not consume the recommended daily intake of 23 essential vitamins and minerals.

Age-related Macular Degeneration is the leading cause of blindness among Americans over the age of 65.

Calcium D-glucarate assists the body in removing toxins, a process called detoxification.

Lycopene is the most abundant carotenoid in the prostate and high levels of lycopene in the blood have been linked to prostate health.*

Technical Points

- Contains 25 vitamins and minerals, Transfer Factor Plus, Essential Fatty Acids, full-spectrum Antioxidants, Calcium D-glucarate, Soy Isoflavones and other anti-aging nutrients.
- Lutein is a powerful antioxidant shown to help support eye health and protect against Macular Degeneration.*
- Coenzyme Q10 plays a crucial role in the generation of cellular energy, increased circulation and anti-aging. In addition, this powerful antioxidant plays a significant immunological role that is beneficial to the cardiovascular system.*
- RiteStart is protected in part by 17 U.S. and International Patents.*

DIRECTIONS: Take two (2) packets daily. Take each packet with 8 ounces of fluid and with morning and evening meals.

Serving Size: One (1) Packet

Servings Per Container: 60

Supplement Facts

	Amount Per Serving	DV%
Vitamin A (as 25% retinyl palmitate and 75% as Beta Carotene (Blakeslea trispora extract))	5,000 IU	100%
Vitamin C (Life C™ as calcium ascorbate, ascorbic acid, 250 mg ascorbyl palmitate, erythorbic acid, magnesium ascorbate, dehydroascorbic acid, ascorbigen)	250 mg	417%
Vitamin D (as cholecalciferol)	200 IU	50%
Vitamin E (as d-alpha tocopheryl acetate, including alpha, beta, delta, gamma tocopherols)	108 IU	360%
Vitamin K (phyltonadione)	13 mcg	16%
Thiamin (as thiamin mononitrate)	2 mg	133%
Riboflavin	2 mg	118%
Niacin (as niacinamide)	13 mg	63%
Vitamin B6 (as pyridoxine hydrochloride)	3 mg	150%
Folate (as folic acid)	200 mcg	50%
Vitamin B12 (as cyanocobalamin)	9 mcg	150%
Biotin (d-biotin)	150 mcg	50%
Pantothenic Acid (as d-calcium pantothenate)	13 mg	130%
Calcium (as calcium carbonate, calcium amino acid chelate, calcium citrate)	163 mg	16%
Iron (as iron amino acid chelate)	5 mg	28%
Iodine (as potassium iodide)	38 mcg	25%
Magnesium (as magnesium oxide, magnesium amino acid chelate)	50 mg	13%
Zinc (as zinc amino acid chelate, monomethionine)	20 mg	133%
Selenium (as l-selenomethionine)	100 mcg	143%
Copper (as copper amino acid chelate)	0.5 mg	25%
Manganese (as manganese amino acid chelate)	1 mg	50%
Chromium (as chromium amino acid chelate)	120 mcg	100%
Molybdenum (as molybdenum amino acid chelate)	20 mcg	27%
Boron (as boron citrate)	1 mg	**
Vanadium (as bis (glynato) oxovanadium)	10 mcg	**
Transfer Factor Plus	150 mg	**
Transfer Factor XF	150 mg	**
A proprietary concentrated extract of bovine colostrum containing transfer factors and other natural components		
Proprietary Blend	290 mg	**
ThymuPro™ - Thymus complex		**
Thymus Protein and other proteaseaceous compounds		**
Cordyvant™ - Polysaccharide Complex		**
IP-6 (inositol hexaphosphate)		**
Cordyceps sinensis (whole herb) (contains 7% cordycepic acids)		**
Beta Glucan (from baker's yeast) (Saccharomyces cerevisiae)		**
Beta Glucan (from oat)(Avena sativa)		**
Mannans (from aloe vera) leaf		**
