

tf Age Defying Effects™

with NUTRISOME™ TECHNOLOGY ©

4Life®

Defy the aging process now with tf Age Defying Effects! Cleanse, Protect and Renew your way to beautiful, healthy, vibrant skin.

Fight the signs of aging and maintain the youthful look and feel of your skin throughout life with tf Age Defying Effects. tf Age Defying Effects goes beyond everyday skincare. It's the only system that works with your skin, not just on it. The results of which are firmer, smoother, softer more beautiful skin.

tf Age Defying Effects utilizes NutriSome Technology, a patented sustained release system that delivers "microbursts" of Transfer Factor XF™ in your skin, which promotes the formation of young healthy skin with renewed clarity, improved texture and a fresher look.

Key Points

- **NutriSome Technology:** NutriSomes are microscopic bubbles that pop, releasing Transfer Factor XF as they move within the skin tissue. This process is repeated over and over, throughout the day, creating a continual delivery of Transfer Factor XF to the skin. This sustained release system delivers a higher concentration, and greater area of dispersment of active ingredients to the layers of your skin.
- **UVA/UVB Protection:** tf Age Defying Effects Protective Moisturizer features full spectrum SPF 15 UVA/UVB sun protection. UV rays damage the skin and cause premature aging.
- **Transfer Factor XF:** Delivering Transfer Factor XF topically provides a first line of defense against harmful invaders. tf Age Defying Effects helps soothe and heal tired skin while activating the skin's own immune response.
- **Specific Skin Type Cleansers:** tf Age Defying Effects provides a cleanser designed for your skin type. For oily skin, Purifying Cleanser removes excess oils and refines pore size, while Hydrating Cleanser provides valuable moisture to your dry skin. Both soap-free cleansers gently remove make-up, dirt and other impurities while leaving your skin soft and refreshed.
- **Vitamin C:** Skincare at it's finest. The topical use of vitamin C supports healthy collagen production and gently exfoliates older, unhealthy skin cells so you can recapture that youthful glow. Turn back the clock with tf Age Defying Effects Renewing Serum. You'll be amazed at just how good your skin will look and feel.
- **Antioxidant Protection:** tf Age Defying Effects protects your skin with several powerful antioxidants. Vitamin C, E and CoQ₁₀ play a key role in promoting healthy, radiant skin by helping to fight free-radicals, which damage and age skin.
- **Hyaluronic Acid:** Why is baby's skin so soft? When we are young our bodies produce Hyaluronic Acid abundantly. Hyaluronic Acid is a remarkable hydrating agent that promotes soft, supple and moist skin. Hyaluronic Acid is included in tf Age Defying Effects Protective Moisturizer and Renewing Serum to keep skin feeling soft, and looking young.

Did you know?

The Journal of the American Medical Association (JAMA) reports that even mild exposure to UV rays can reduce the skin's immune response by 40%.

Skin damage occurs at an early age but its effects will be noticed later, especially after age 50. (Source: National Cancer Institute)

To protect your skin from the damaging effects of UV rays, the American Academy of Dermatology suggests using a daily moisturizer that includes a sunscreen with an SPF of 15 or higher.

Technical Points

- Used topically Coenzyme Q₁₀ helps protect your skin from the damaging effects of free radicals and UV rays. Coenzyme Q₁₀ stimulates the vital energy necessary for skin cells to heal, protect and rejuvenate themselves. This powerful antioxidant defends the skin from free-radical damage.*
- SPF stands for "sun protection factor" and is a measure of how long you can stay exposed to the sun without burning. For example: If you begin to tan or burn after 10 minutes, an SPF of 15 extends your protection to 15 times longer.
- Hyaluronic Acid is a mucopolysaccharide that naturally occurs in human skin. It is one of the most effective moisturizing agents available, as it can hold up to 1,000 times its weight in water to moisturize the skin. Those who are 50 years and older are estimated to have less than half the Hyaluronic Acid they had as a youth.*

HYDRATING CLEANSER™

Item # 25005

DIRECTIONS: Use daily, morning and night. Generously apply to face and neck, using fingertips or a wet washcloth. Massage gently into skin, then rinse thoroughly. Pat dry.

INGREDIENTS: Water, Sodium Laureth Sulfate, Sodium Cocoyl Isethionate, PEG-8, Sodium Methyl Cocoyl Taurate, Aloe Barbadensis Leaf Juice, PEG-7 Glyceril Cocoate, Lauramide MEA, Disodium Laureth Sulfosuccinate, Cocamidopropyl Betaine, Transfer Factor XF, Phospho-lipids, Sodium PCA, Panthenol, Algae Extract, Citrus Aurantium Dulcis (Orange) Oil, PEG-120 Methyl Glucose Diolate, Glycol Stearate, Disodium EDTA, Citric Acid, Sodium Chloride, Phenoxyethanol, Methylparaben, Ethylparaben, Propylparaben, Butylparaben, Isobutylparaben.

PURIFYING CLEANSER™

Item # 25007

DIRECTIONS: Use daily, morning and night. Generously apply to face and neck using fingertips or a wet washcloth. Massage gently into skin, then rinse thoroughly. Pat dry.

INGREDIENTS: Water, C12-15 Alkyl Benzoate, Dicaprylyl Maleate, Methyl Gluceth-20, Glyceril Stearate, PEG-100 Stearate, Cetyl Alcohol, Transfer Factor XF, Epilobium Angustifolium Extract, Aloe Barbadensis Leaf Juice, Sodium Hyaluronate, Hamamelis Virginiana (Witch Hazel) Distillate, Sodium Lactate, Sodium PCA, Sorbitol, Proline, Citrus Aurantium Dulcis (Orange) Oil, Carbomer, Triethanolamine, Poly sorbate 20, Disodium EDTA, Phenoxyethanol, Methylparaben, Ethylparaben, Propylparaben, Butylparaben, Isobutylparaben.

PROTECTIVE MOISTURIZER™

Item # 25010

DIRECTIONS: Use daily. Apply evenly over face and neck until absorbed. Apply as often as needed.

ACTIVE INGREDIENTS: (SPF 15 UVA/UVB) Ethylhexyl Methoxycinnamate, Zinc Oxide.
OTHER INGREDIENTS: Water, Octyldodecyl Neopentanoate, Aloe Barbadensis Leaf Juice, Dicaprylyl Maleate, Cyclomethicone, Transfer Factor XF, Glycerin, Polyglyceryl-4 Isostearate, Cetyl Dimethicone Copolyol, Hexyl Laurate, Squalane, Ubiquinone (CoQ10), Hyaluronic Acid, Tocopherol, Algae Extract, Retinyl Palmitate, Cetyl Laurate, Phospholipids, Citrus Aurantium Dulcis (Orange) Oil, Hydrogenated Casein, Ceratonia Siliqua Gum, Dimethicone, Microcrystalline Wax, Hydrogenated Castor Oil, Sodium Chloride, Phenoxyethanol, Methylparaben, Ethylparaben, Propylparaben, Butylparaben, Isobutylparaben.

RENEWING SERUM™

Item # 25012

DIRECTIONS: Use nightly. Apply evenly over face and neck until absorbed. Apply as often as needed.

INGREDIENTS: Cyclomethicone, Polysilicone-11, Ethylhexyl Hydroxystearate, Ascorbic Acid, Transfer Factor XF, Ubiquinone (CoQ10), Hyaluronic Acid, Tocopherol, Phospholipids, Retinyl Palmitate, Bisabolol, Squalane, Citrus Aurantium Dulcis (Orange) Oil.

CAUTION: For all tf Age Defying Products, avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water.
